

One Two Pru Bike Share – Get Started

1. Download the BLOOM app by visiting <http://www.bloomsharing.com> or by searching “Bloom Bikes” in Google Play or the App Store.
2. Enter your mobile phone number, wait for a verification code via text, and enter your verification code.
3. Enter your full name and **company** email address. You will not be approved to use the system if you enter a personal email address.
4. When prompted to enter a private system code, press the scan symbol to access the scanner and scan the QR code below:

5. Carefully read and accept the terms and conditions for the system. You will then be notified that your access is pending approval. Once approved by the Office of the Building, you will receive a confirmation email with important rental instructions. Please allow 24-48 business hours for approval.
6. Before you can initiate a rental, you will be required to select a payment plan and enter your debit or credit card information. With the One Two Pru Tenant Plan, you can ride for up to 2 hours free of charge. Your card will only be charged if usage exceeds 2 hours at \$5 per additional hour.
